

# ONLINE ASSESSMENTS & PROGRESS MONITORING

## WHAT ARE THE BENEFITS?

Online clinical assessments offer greater flexibility, higher efficiency, better tracking, and more affordable options for families and clinicians. At WPS, we are constantly striving to make our assessments easier to use and more accessible.

Directly score and validate in the software.

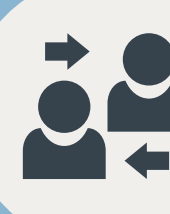

Save, print, or download reports.

**EFFICIENT SCORING**

Easily collect data from third parties.

**PROGRESS TRACKING**

Receive immediate feedback.

Compare rater reports.

Create progress monitoring reports.

License forms have discounted pricing.

Reduce administration time.

**COST EFFECTIVE**

Only scored forms are consumed.

**PROTECTED PHI**

HIPAA/FERPA compliant

Clever app single sign-on

Top-tier cybersecurity
